FIRE WARDEN'S REPORT

We have been extremely fortunate during the past few years. Favorable fire weather and war time restrictions on travel which kept people off the highways and out of the woods have aided materially in reducing fire risks, keeping fires fewer and fire losses low.

We now face changed conditions. People can travel freely. Their love for travel and the freedom of the woods will bring them out in ever increasing numbers. This will step up fire risks materially. The accelerated cutting of the war years has resulted in additional thousands of slash acres. These factors, combined with a possible dry season and human carelessness could easily produce a catastrophe. Everyone must, consequently, be on their guard. They should:

1. Be careful with fire or when smoking in or near woodlands.
2. Cooperate with the local forest fire warden and his deputies by:
   a. Abiding cheerfully with whatever restrictions it may be necessary to impose. They are intended only to be helpful.
   b. Securing permits to burn debris when the ground is not covered with snow.
   c. Seeing that other comply with requirements.
   d. Promptly coming to the warden's assistance when needed.

If these few fundamental practices are followed it will be possible to PREVENT a large proportion of FOREST FIRES from starting.—that PAYS!

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Strafford:

The ending of hostilities last summer has turned the activities of the schools from war to building the peace. Some war-time precautions and restrictions have been relaxed, but the federal savings program will still continue. In all probability, future compulsory military training or service for persons attending high school will be deferred until their graduation, provided their attendance is regular and their studies satisfactorily maintained.

The present organization of the schools is as follows:

School	Grades	Teacher	Pupils
Bow Lake	I-VI	Mrs. Charlotte Noyes	29
Center	I-VI	Mrs. Ida McLaughlin	18
Crown Point	I-VI	Mrs. Hattie M. Foss	31
Austin-Cate Acad.	VII, VIII	Mr. Thomas O. Parker Headmaster	22 38
Austin-Cate Acad.	IX-XII		

State Commissioner of Education James N. Pringle has retired from that office. He was much interested in the progress of Strafford schools, and was an ex officio trustee of Austin-Cate Academy. Mrs. Irene Scribner and Mrs. Shirla Smith also retired from regular teaching, after an extended period of faithful service. All the new elementary teachers, though qualifying under war-emergency regulations, have had previous training and experience. Miss Margaret Macdonald, who has been our school nurse for several years, withdrew to accept another position. Her work last year included the dental clinic, sponsored by the Bow Lake Grange and the Red Cross, at

which 37 pupils were treated by Dr. Manning. Our school nurse this year is Miss Myrtle Fletcher.

This month (January 12) marks the 200th anniversary of the birth of Johann Heinrich Pestalozzi, Swiss educational pioneer. Instead of the prevailing methods of education for the few, consisting of memorizing printed words without regard for their meaning, beaten in by continual floggings, this great man exemplified education for the common people, inculcated with kindness, and including such humanities as music, drawing, history, geography, and nature study, as well as improved methods in the 3R's, taught by trained teachers. Colburn's Arithmetic, Lowell Mason's music courses, and the geographies of Willard and Woodbridge show Pestalozzi's influence on American educational leaders of the nineteenth century. In a deserted convent, he gathered and cared for a group of refugee children, such as roam in Europe today. His genius is largely responsible for interesting and friendly schols, to which children are willing and eager to go.

Perfect Attendance for One Year

Henry Flanagan, Gertrude Lingard, Jean York.

The per cent of attendance at Bow Lake school last year was 96.20, within .02 of the highest in the supervisory union.

Respectfully submitted,

CHESTER W. DOE,
Superintendent of Schools.
